

Referral letter for Casey Whitworth

To whom it may concern,

This letter is to recommend Casey Whitworth as your realtor. Casey is very hard-working and worked tirelessly to sell our home. He is extremely professional and personable and is very easy to deal with. He is also great in alleviating stressful moments which naturally are a part of getting ready to move. He was very very patient with any of our queries even if we phoned out of the blue with what we thought was a stupid question. He kept us very well informed regarding the process of the selling of our place and the purchasing of our new place including the minor details in the paperwork that most people don't take the time to explain to you. He knows his stuff and we felt extremely confident in handing over the selling of our home to Casey.

We would not hesitate to recommend Casey Whitworth to sell your home or help you purchase a home as we did both with Casey and are very, very happy.
